What a Rare Opportunity to live on a secluded Cul-De-Sac in the highly desirable High Gate Neighborhood in Highlands Ranch. Come see this incredible 4 bed, 4 bath, 3 car garage home that is over 4400 sq feet and features an office nook, mudroom, finished basement and stylish upgrades throughout the home.

Bright, Open and Inviting ... you will simply love this home. As you enter, notice the new custom front door which lets in so much light and offers the option to create a cross breeze with style. An Open front reading room has extensive hardwood floors which flow nicely through the formal dining room, entry and into the heart of the home. The Gourmet kitchen; finished with Granite Counters, Stainless Appliances, 42" Cabinets and a wonderful island. There's plenty of space for a home chef to prepare and layout a delicious spread or simply have a cup of coffee while catching up on the "socials".
